CAREER OBJECTIVE

As a passionate Frontend Web Developer, I am dedicated to crafting visually appealing and user-friendly websites. My approach involves empathizing with client needs, translating them into compelling web solutions, and implementing innovative solutions to enhance both business operations and user experiences. Proficient in frontend technologies and well-versed in backend tools such as Node.js and MySQL, I ensure the seamless integration of cutting-edge design with flawless functionality, delivering pixel-perfect and responsive web solutions.

WORK EXPERIENCE

Web Design Intern

Engaj Media

Aug 2023 - Nov 2023 / Remote

- Led the design of the agency's official website, ensuring a modern and user-friendly interface.
- Collaborated with cross-functional teams of designers and developers on various projects..
- Implemented 3D website designs using tools like Spline, enhancing user engagement.
- Contributed to industry-standard designs, staying updated with the latest frontend design principles.

Freelance Web Developer

Fiverr
